

## MCM Deliverables – Intro to Consensus Decision Making Workshop

August 11, 2022

Use the follow prompts to record information and decisions you come to as community group. Any design decisions made will be considered as DRAFTS until a clear and detailed pathway of achieving this decision is laid out agreed upon by the community.

### Community Group Information

Group Name: \_\_\_\_\_

**Community Goals:** (Numbered for exercise on p.3, not necessarily in order of importance)

- 1.
- 2.
- 3.
- 4.
- 5.

Community Vision:

---

---

---

**Member Names:**

Name	Preferred Method of Contact & Details

**Community Communication:**

<b>Communication</b>	<b>Date, Frequency, platform, other details</b>
<b>Planning/Information sharing</b>	
<b>Planning Meetings</b>	
<b>Socials</b>	

**Meeting Roles: (for this MCM)**

<b>Role</b>	<b>Member</b>	<b>Description / Notes</b>
<b>Note Taker(s)<sup>1</sup></b>		records an accurate account of the meeting with as much detail as possible. Collected information should be made available to the whole community group.
<b>CDM Moderator(s)<sup>2</sup></b>		guides a CDM session or decision to be as inclusive and productive as possible, orchestrate the fist-to-five-vote, and ensure each members' thoughts are heard and, when possible, recorded.

**Other Key Community Information**
